

Experienced Service/Repair Plumber Needed

Do you just want a job, or would you like a CAREER? Plumbing Company in Falls Church is looking for an experienced, reliable, and professional plumber to work full time. We are a family business, focused on residential service, performing some commercial and new work.

To qualify for our team, you need:

- Live in the Northern Va. area
- 8+ years experience in the plumbing field
- Must be well groomed and have a neat appearance
- Valid Journeyman or Master license, preferred
- Able to quickly troubleshoot problems
- Attention to detail and a desire to see the job done right the first time
- Friendly personable, responds to customer concerns, and enjoys making our customers smile
- Valid social security card, driver's license and a clean driving record
- Must agree to a background and drug check
- Desire to perform beyond the mandatory job requirements
- Ability to follow proper safety techniques
- Able to work evenings and weekends during on call emergency service rotation.

You must also be able to lift up to 50 pounds and push, pull, or carry heavy objects. You must be able to maneuver heavier objects with assistance from appropriate devices or additional manpower. You must be able to climb ladders and work in small crawl spaces.

Duties:

- Respond to service requests from residential customers, following dispatch, by taking appropriate action
- Maintain truck and keep inventory well stocked
- Maintain other equipment and tools and ensure proper working order of company property
- Perform other duties as assigned

We will provide you with:

- Truck (some restrictions apply)
- Phone
- Performance based pay (unlimited potential)

- Regular training opportunities
- Achievement recognition
- Health benefits
- 6 paid holidays

Our company is a 24 hour emergency service company 7 days a week to ensure customer satisfaction. We require all employees to work various evenings and weekends (on-call rotation).

Do you feel that you possess all of the qualifications listed above? Email us your resume, with salary requirements and references.
